The Rotary Club of Oak Park - River Forest Collection

Oak Park River Forest Museum

August 18th, 2017

Finding Aid Prepared by Elizabeth Nichols, Dominican University graduate student

Extent: 16 linear feet

Creator: The Rotary Club of Oak Park - River Forest, 1919 — *present*

Administrative History: The Rotary Club of Oak Park - River Forest (OPRF) was formed in 1919 with 24 charter members. The first meeting was held on November 13, 1919 in Hodsgon's Tea Room at Pleasant and Marion Streets in Oak Park, and the club was soon accepted as a member unit by the International Association of Rotary Clubs. The Oak Park Rotary Club, as it was then known, was the 585th on the Rotary list. The charter members decided that subsequent meetings would be held on Wednesdays at 12:15 pm, and ever since—with rare exceptions—that has been the day and hour of Rotary OPRF meetings. The club's charter was presented January 14, 1920, and subsequently on the 28th of that month the first new members were inducted.

In the 1920s, in addition to humanitarian and social projects at home, the club began to establish its statewide and international presence. In 1921, it sent a delegation of 24 members to the district conference in Peoria. The *Rotary Razz* newspaper was launched in 1921, and continues to be published today in electronic form. Other notable events include a club donation of \$100 to the WWI memorial in Scoville Park, a donation of \$350 for one of the community's first "iron policemen" or "stop and go lights," and the purchase of land in the Michigan sand dunes for the local Boy Scouts, called Camp Wilderness.

The Great Depression hit the club hard, and no new projects were undertaken. Member dues and luncheon prices were reduced. A bright spot in the 1935-36 year was the holding of a hobby show.

In the 1940s, the club's activities were dominated by the United States' entry into WWII. In its 1942-43 year, the club established a War Activities committee, and headed a community drive for USO funds. Additionally, Rotary members contributed to the Red Cross Blood Bank, donated cigarettes, conducted war bond drives, and gave special attention to service men. Rotary members, like Craig Butler, saw their own children go to war.

A notable club achievement that took place in the 1950s was the publication of a club history, *Wednesday at 12:15*. During this period, club speakers' topics were focused on the threats of nuclear war and crime. In 1958-1959, the club was host to the Rotary District Conference, and celebrated its 40th anniversary. The club's 1959 projects included donations to the Oak Community School for the Mentally Disabled and the Oak Park Treatment Center for Crippled Children.

In the 1960s, the club's local, national, and international humanitarian efforts continued. In 1961, the club purchased a car for the Community Nursing Association of Oak Park and River Forest. In 1963, the club was honored by the visit of Rotary International president Nitish C. Laharry of India. Other notable activities included raising funds for the Association of Retarded Children, paying for a European study tour for six Concordia students, and aiding Oak Park Hospital in its efforts to build an addition. The club celebrated its 50th anniversary in 1969.

In the last thirty years of the twentieth century, the club set even greater goals for itself. It took up the Polio Plus Campaign of Rotary International, raising funds to eradicate polio in developing countries. It strengthened its scholarship awards program with the establishment of a Scholarship Trust Fund, and began a Youth Exchange Program. It established the Carl S. Winters Community Service Awards to honor members for their distinguished service. And, it celebrated its 75th anniversary with the creation of the Hemingway Remembrance Garden at OPRF High School.

The current mission of the Rotary Club of OPRF is to support the goals, programs, and projects of Rotary International and the Rotary Foundation through humanitarian service. The club continues to effect change in the OPRF community, create social bonds, impact local and international humanitarian issues, and strengthen relationships with community leaders. Since its formation in 1919, the Rotary Club of OPRF has had a profound and measured impact on the history of Oak Park and River Forest, and plans to continue to do so as it nears its 100th anniversary in 2019.

Scope and Content Note: The Rotary Club of OPRF Collection covers the club's organizational, financial, humanitarian, and social activities in Oak Park and River Forest from 1919 to approximately 2007. Materials related to the club's history, meetings, committees, and special events and projects are also included.

While the majority of the collection is complete in its scope, the following series have notable gaps in coverage: Series IV Rotary Meeting Minutes, Series VI Rotary Financials, and Series VIII Rotary Publications. In Series IV, 1970s board of directors meeting minutes are represented only by 1970 and 1971, each of which only contains one or two documents. Moreover, general club meeting minutes in Series IV begin in 1919, and then end in 1957. In Series VI, there are no 1997 financial balance sheets. In Series

VIII, the following years of the *Rotary Razz* magazine are not covered: 1967 – 1978, and 1982.

The contents of the collection include papers, books, reports, minutes, correspondence, financial documents, club publications and paraphernalia, photographs, contact sheets, negative rolls, wet plate collodion glass negatives, albums, VHS tapes, cassettes, microcassettes, floppy discs, and 35mm slides.

Immediate Sources of Acquisition: The materials in the Rotary Club of OPRF Collection came in seven separate donations. The donations are under the respective accession numbers 1974.46, 1991.57.1, 2004.36, 2004.74.1, 2005.1.5, 2005.64, 2011.15, and 2015.26. Of special note is the 2004.36 donation, which derived from the official decision by the Rotary Club of OPRF to designate the Historical Society of OPRF as the repository for its records. Materials from all six donations have been combined here for ease of access and use by researchers. For more details on each respective donation, these accession numbers are individually accessible in the Past Perfect archival management system in the Historical Society of OPRF's research center. Related OPRF Rotary materials from other donations may be added to this collection in the future at the discretion of the Director.

Conditions Governing Access: None

Physical Access: The VHS tapes, cassettes, microcassettes, floppy discs, 35mm slides, and wet plate collodion glass negatives in the collection are endangered or extinct formats that require specific technical equipment to play or view. Not all of the specific technical equipment is available at the Historical Society of OPRF. To facilitate access to these materials in the future, the Historical Society of OPRF plans to schedule these materials for digitization.

Undeveloped negative rolls can be photographically developed at the researcher's request. Submit all requests at the research center.

Oversized materials in the collection include a wooden shield-shaped sign approximately 3ft by 4ft used for Rotary meetings, and three flags with wooden poles. These materials are stored with other OPRF artifacts, and can be accessed by request in the research center.

Language of the Material: English
